of the California Fig Syrup Co. and the scientific attainments of its chemists have rendered possible the production of Syrup of Figs and Elixir of Senna, in all of its excellence, by obtaining the pure medicinal principles of plants known to act most beneficially and combining them most skillfully, in the right proportions, with its wholesome and refreshing Syrup of California Figs.

As there is only one genuine Syrup of Figs and Elixir of Senna and as the genuine is manufactured by an original method known to the California Fig Syrup Co. only, it is always necessary to buy the genuine to get its beneficial effects.

A knowledge of the above facts enables one to decline imitations or to return them if, upon viewing the package, the full name of the California Fig Syrup Co. is not found printed on the front thereof.

Mechanically ground wood pulp is to come in free of luty, instead of paying one-twelfth of cent a pound, as under the Dingley aw, but provision is made for a countervailing duty in case it becomes necessary to protect this country against Canada's inhibitions upon the exportation of woods to the United States.

York-San Francisco Record.

Richard L. Byrne, William H. Smith, Claude Beardsley and George D. Wilcox who are making a record run from New York City to San Francisco to test a 30-horse power four-cylinder automobile, arrived in Ogden yesterday and will leave for the west today. They left New York City, Times Square, at noon on July 5 and have now covered 3,050 miles, or an average of 185 miles a day. They started to make the trip in thirty days, but they met with such bad roads they are now four days behind their time. They spent a day in Denver and a day at Point of Rocks. At Rock Springs they were joined by R. M. Graff of Pittsburg and Dr. E. A. Lauzer of Rock Springs, who are accompanying them on the road. Smith, who is the driver, made the machine that the New Yorkers are traveling in. He is trying out a new kind of tire that has given them no trouble whatever and still has in it the air pumped in it at New Lork City. Park City, July 30.—George Lander Moulding, an old-time resident of Park City, died today at his home on Park avenue, after an illness of several weeks.

Mr. Moulding was born February 2, 1835, In Newberry, England. In 1855 he came to this country and settled in Philadelphia. He came to Utah in 1871 and to Park City in 1879. Mr. Moulding married Miss Emma Ashby in Illinois in 1857, and is survived by two daughters. Mrs. J. C. Perry of this city and Mrs. J. L.
